• Vinyl waves grid matting scrape dirt and moisture off shoes, allowing it to fall in to the mat and not be tracked in to the building (does not absorb water).
• Durable flexible material is ultra violet resistant, performs well in different climates and adapts to any surface.
• The Open wave grid of extruded vinyl creates a slip-resistant walking surface.
• Suitable for heavy traffic conditions.
• Bevelled edges on all four sides prevent tripping on the mat.
• For loose lay.
• Vacuum clean or wash off with hose.
• Free of toxic DOP and DMF.
• Easy to install and relocate. Easy to clean and requires little to no maintenance.
• Suitable for heavy duty use and will not flatten over time.
